P.U.S.H. = Pray Until Something Happens!

The bible says to pray. However, it does not say to pray and do nothing else. It does not say that prayer is the limit of Christian responsibility. True worship is more than just a ceremony, more than just a belief. Paul taught us that the faith that saves will bear fruit. And James taught us that once saved by faith, we cannot sit still and do nothing. He said that a faith without works is a dead faith. With so much to do, for the person filled with the Holy Spirit, it is more than an obligation, more than a responsibility. It is a spiritual and emotional necessity to take action. The Word of God calls for action. It says to go out into the highways & hedges with the Gospel. To reach people out there, we must go out there. When Jesus saw the needs of the people, he was moved by compassion. What does it take to move us?
