This chart illustrates care symbols accepted by the Federal Trade Commission as part of a conditional exemption to the FTC Care Labeling Rule (16 CFR 423). This chart is referenced from ASTM D5489-96c, Fig. 1, Commercial and Home Laundering and Drycleaning Symbols, which illustrates the symbols to use for laundering and drycleaning instructions. As a minimum, laundering instruction shall include, in order, four symbols: washing, bleaching, drying, and ironing; and drycleaning instructions shall include one symbol. Additional words may be used to clarify language-dependent instructions.
